Ms. Lee,

All of your and staff's responses should come from prior written Energy Commission records, I don't "text", a phone number would be of no use.

Pursuant to Title 20, Section 1208 (a), I have placed my inquiries into the record for the proceeding.

Please use the docket for all responses to all inquiries I have made for the proceeding so the commission will deem your and staff's responses part of the proceeding record.

See Title 20, Section 1208,
